

Shadowside (Single Edit)

a-ha

The shadowside you say I have
Is making everything go bad
You say I don't care enough
For all the things that I have gotBut I do
And I willI don't want to see myself descend
Into the shadowside again
If you ever let me go again
In the shadowside I'll end
The shadowside where I go
I'm never where I'm needed so
You say I don't give enough
That I don't care for all I've gotBut I do
And I willI don't want to let myself descend
Into the shadowside again
If you're letting go of me again
In the shadowsideBut I do
And I will
Yes, I will
I don't want to let myself descend
Into the shadowside again
If you're letting go of me again
In the shadowside I'll endIn the shadowside I'll end
