

# Nothing Is Keeping You Here (Single Remix)

a-ha

The lights change on the hill  
The air seems strangely still  
Everyone's asleep  
The floorboards creak at dawn  
As you walk out on the lawn  
The grass is wet beneath  
You think it rather strange  
You think it rather weird  
It's fair to say that  
Nothing is keeping you here  
Nothing is keeping you here  
Nothing is keeping you here  
The phone is off the hook  
As you sink into a book  
You don't know where you are  
From the world; detached  
Unto a girl you latched  
It never got too far  
And everybody talks  
And everybody stares  
It's safe to say that  
Nothing is keeping you here  
Nothing is keeping you here  
Nothing is keeping you here  
And everybody's down  
And everybody cares  
You knew your day to shine  
Would come without you here  
Come without you here...  
Nothing was keeping you here  
Nothing is keeping you here
