

In Between Days

Ben Folds

Yesterday I got so old
I felt like I could die
Yesterday I got so old
It made me wanna cry So go on, go on,
Just walk away
Go on, go on
The choice is made
Go on, go on
And disappear
Go on, go on
Away from here
And I know I was wrong when I said it was true
That it couldn't be me and be her in between
Without you
Without you Yesterday I got so scared
I shivered like a child
Yesterday, away from you
It froze me deep inside Well come back, come back
No other way
Come back, come back
Come back today
Come back, come back
Why can't you see?
Come back, come back
Come back to me
And I know I was wrong when I said it was true
That it couldn't be me and be her in between
Without you
Without you Without you (Go on) Without you
