

# Black Cat

Janet Jackson

All the lonely nights, I spend alone  
Never around to love me, you're always gone  
'Cause you're hanging out, breaking the rules  
Oh, the man has come looking for you  
You're a rebel now, don't give a damn  
Always carrying on with the gang  
I'm trying to tell you, boy, it's a mistake  
You won't realize 'til it's too late  
Don't understand why you insist  
On ways of living such a dangerous life  
Time after time, you stay away  
And I just know that you're telling me lies  
Black cat, nine lives, short days, long nights  
Living on the edge, not afraid to die  
Heartbeat, real strong but not for long  
Better watch your step or you're gonna die  
You're so together, boy but just at a glance  
You'll do anything if given a chance  
Scheming, planning lies to get what you need  
So full of promises that you never keep  
Don't you tell yourself that it's okay  
Sick and tired of all of your games  
And you want me to stay, ah, better change  
Makes no sense to me, your crazy ways  
Don't understand why you insist  
On ways of living such a dangerous life  
Time after time, you stay away  
And I just know that you're telling me lies  
Not afraid to die  
Black cat, black cat  
Man, I don't understand your ways  
Living on the edge  
Don't understand why you insist  
On ways of living such a dangerous life  
Time after time, you stay away  
And I just know that you're telling me lies  
Black cat, nine lives, short days, long nights  
Living on the edge, not afraid to die  
Heartbeat, real strong but not for long  
Better watch your step or you're gonna die  
Black cat, nine lives, short days, long nights  
Living on the edge, not afraid to die

Heartbeat, real strong but not for long  
Better watch your step or you're gonna die  
Black cat, living' on the  
Heartbeat, better watch your step
