## **Dreaming of You**

## Selena

Late at night when all the world is sleeping
I stay up and think of you
And I wish on a star that somewhere you are
Thinking of me tooCause I'm dreaming of you tonight
Till tomorrow I'll be holding you tight
And there's nowhere in the world I'd rather be

Than here in my room dreaming about you and meWonder if you ever see me

And I wonder if you know I'm there

If you looked in my eyes

Would you see what's inside

Would you even care?

I just wanna hold you close

But so far all I have are dreams of you

So I wait for the day (wait for the day)

And the courage to say how much I love you

Yes I do!I'll be dreaming of you tonight

Till tomorrow I'll be holding you tight

And there's nowhere in the world I'd rather be

Than here in my room dreaming about you and me(Corazón)

I can't stop dreaming of you

(No puedo dejar de pensar en ti)

I can't stop dreaming

(Cómo te necesito)

I can't stop dreaming of you

(Mi amor, cómo te extraño)

Late at night when all the world is sleeping

I stay up and think of you

And I still can't believe

That you came up to me and said I love you

I love you too! Now I'm dreaming with you tonight

Till tomorrow and for all of my life

And there's nowhere in the world I'd rather be

Than here in my room dreaming with you endlessly

dreaming of you tonight (with you tonight) I'll be holding you tight

And there's nowhere in the world where I'd rather be (rather be...)

Than here in my room dreaming with you endlessly (I'll be dreaming in my sleep)

I'll be dreaming of you tonight (endlessly)

and I'll be holding you tight (till tomorrow)

Dreaming with you... tonight...
