

# Revolution

## Dr. John

Blind as a justice, deaf is the power  
Dumb lose our money  
left us in a desperate hour  
Economy... drivin' me out of my sanity  
Rebellious revolution.  
Is it the final illusion?  
Final solution!.surrender, killed in their tracks  
Babies, women raped. leaders on their back  
Religious dillusions  
Stoned confusions  
Prepare your revolution  
Is this final solution?  
Girl, is a mass insanity  
.humanity  
Let's all just pray right now!  
The real...  
Propaganda, hypocrisy  
Did we lose our constitution?  
Rebellious revolution  
Is this the final solution?  
A rebellious revolution  
Is this the final solution?  
The final solution
