## **Telephone Line**

## **Electric Light Orchestra**

Hello, how are you? Have you been alright? Through all those lonely, lonely, lonely, lonely, lonely nights That's what I'd say, I'd tell you everything If you'd pick up that telephone, yeah yeah Hey, how you feelin'? Are you still the same? Don't you realize the things we did, we did Were all for real, not a dream? And I just can't believe They've all faded out of view, yeah yeah Doowop dooby doo doowop, doowah doolang Blue days, black nights, doowah doolangI look into the sky The love you need ain't gonna see you through And I wonder why The little things you planned ain't coming true Oh oh, telephone line, give me some time I'm living in twilight Oh oh, telephone line, give me some time I'm living in twilightOkay, so no one's answering Well, can't you just let it ring a little longer, longer, longer, longer, oh I'll just sit tight through shadows of the night But let it ring for evermore, yeah yeah, oh ohDoowop dooby doo doowop, doowah doolang Blue days, black nights, doowah doolangI look into the sky The love you need ain't gonna see you through And I wonder why The little things you planned ain't coming true Oh oh, telephone line, give me some time I'm living in twilight Oh oh, telephone line, give me some time I'm living in twilight Oh oh, telephone line, give me some time I'm living in twilight Oh oh, telephone line, give me some time I'm living in twilight Song Discussions is protected by U.S. Patent 9401941.
