

# My Kind of Woman

Mac DeMarco

Oh baby  
Oh man  
You're making me crazy  
Really driving me mad  
That's all right with me  
It's really no fuss  
As long as you're next to me  
Just the two of us  
You're my, my, my, my kind of woman  
My, oh my, what a girl  
You're my, my, my, my kind of woman  
And I'm down on my hands and knees  
Begging you please, baby  
Show me your world  
Oh brother  
Sweetheart  
I'm feeling so tired  
Really falling apart  
And it just don't make sense to me  
I really don't know  
Why you stick right next to me  
Or wherever I go  
You're my, my, my, my kind of woman  
My, oh my, what a girl  
You're my, my, my, my kind of woman  
And I'm down on my hands and knees  
Begging you please, baby  
Show me your world
