My Kind of Woman

Mac DeMarco

Oh baby Oh man You're making me crazy Really driving me mad That's all right with me It's really no fuss As long as you're next to me Just the two of usYou're my, my, my, my kind of woman My, oh my, what a girl You're my, my, my kind of woman And I'm down on my hands and knees Begging you please, baby Show me your world Oh brother Sweetheart I'm feeling so tired Really falling apart And it just don't make sense to me I really don't know Why you stick right next to me Or wherever I go You're my, my, my, my kind of woman My, oh my, what a girl You're my, my, my kind of woman And I'm down on my hands and knees Begging you please, baby Show me your world
