## **Hypnotize the Moon**

## Clay Walker

She knew she caught my eye And that was all it took Ain't it strange how forever changed With just one lookThe magic filled the night She touched my soul like no one else Yes, the way that woman made me feel Left me talking to myselfYou better run for cover You better hide your heart 'Cause once you start to love her You know you'll never stopShe shines like a diamond When she walks into a room She could charm the stars Hypnotize the moon Once I held her close I knew just where I stood No, you never get a second chance To ever feel so goodThen and there I knew These words were etched in stone If you can't feel the power of The greatest love you've knownYou better run for cover You better hide your heart

You know you'll never stopShe shines like a diamond When she walks into a room

'Cause once you start to love her

She could charm the stars

Hypnotize the moon

You better run for cover

You better hide your heart

'Cause once you start to love her

You know you'll never stopShe shines like a diamond

When she walks into a room

She could charm the stars

She could charm the stars

Hypnotize the moon
