

Oochie Wally

Nas & Bravehearts

Oochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wally He really really really fucked my coochie
He really really really turned me out
He really really really got to gut me
He really really made me scream and shout He really taught me how to work my body
He really taught me how to do it with my mouth
He really really tried to hurt me hurt me
I really love his thug and gangsta style Yeah, what up ma, take a look, you hypnotized
On how my long dick stretch your insides
For real ma, with your thick lips and thick thighs
Stoke both holes, pass it to Nas
Or pass it to Naish, or pass it to Jung
Or pass it to Horse, then that ass gettin' tossed
Fuck a hustler book, penthouse or black tale
I got bitches sendin' my niggas flicks in jail I fuck a bitch face more than her waist for real
And ain't no pussy like new pussy that's how a nigga feel
Bust three times throw her the peace sign
She sleep then my dick sleek and I ain't gotta call her for weeks Long leg hoes, mo'head hoes,
married bitches
Me and my dog fuckin' them both they got us switchin'
Is the nigga gangsta? Yeah, that's how I'm livin'
That's how I'm playin' I got these freak fuckin' hoes singin' Oochie wally wally, oochie bang
bang
Oochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wally
He really really really fucked my coochie
He really really really turned me out
He really really really got to gut me
He really really made me scream and shout Little young thing go around my dick with your
tongue ring
Deep throat my nine inch, gut from the front and
Grind from the side and, fuck from behind and
Grab her hair slap her ass, she screamin' like she dyin' Make her come four times without even
tryin'
I'll beat that pussy up there's no denyin'
Hit her where she doodie at, make that booty fat
Little cutie rat, walking by with the doobie wrap Tight blue jeans, air max small Gucci bag
No loot and no job stay home giving blow jobs
Like no prob, it's simple

Holla out the window it's the project nympho
 Fuck my whole crew, you know how we do
 you got that good pussy I can share with my peoples
 Be a brave girl, do your thang
 Let them tities hang, I'll have all the bitches sayin'
 Oochie wally wally, oochie bang bang
 Oochie wally wally, oochie bang bang
 Oochie wally wally, oochie bang bang
 Oochie wally wally He really really really fucked my coochie
 He really really really turned me out
 He really really really got to gut me
 He really really made me scream and shout
 When it comes to sex I'm similar to the thriller in
 manilla
 Bitches call me Horse the pussy filler
 I'll fuck a big boned or slim chick
 Beat that pussy up real quick then send home the bitch
 Ain't no sleepin' in my bedroom when
 Henny's in my dick
 When Flex drop the bomb I bust a nut on this bitch
 Deep throat, ceaser gold or pun wicked hoes
 Who like the way I thug and the way I flow
 I like head in the Benz, the four door or the Coupe
 Head in the staircase, the cellar or the roof
 Head in the studio, the bathroom or the booth
 Head from a project chick or one with crazy loot
 Like Nia Long in a cherry thong with the
 lights on
 Sippin' Perignon with Kelly Price on
 I pull out my python, I hit it while my wife's gone
 Long dick the bitch all night, I'll make her pussy sing the song
 Oochie wally wally, oochie bang
 bang
 Oochie wally wally, oochie bang bang
 Oochie wally wally, oochie bang bang
 Oochie wally wally, Oochie bang bang
 Oochie wally wally, oochie bang bang
 Oochie wally wally, oochie bang bang
 Oochie wally wally, oochie bang bang
 Oochie wally wally
