

Move

Kris Allen

I couldn't say I was paying attention
when you're walking by
And if they ask me out of line
I wouldn't get it right Ooh, I was blind 'til you sit up, sit up
Yeah, I was fine 'til I fell in love, fell in love
I never would've seen you baby
'Til your song came playing to the speakers
And, ooh, it's not the dress and your body
your lipstick that got me
it's the way you move Ooh, it's not the kiss and
that get me staring
it's the way you move
And it's the way you move I'm not saying that you are amazing
when you walk in the room
I'm just saying that I wasn't looking
and not I'm thinking what a fool Ooh, I was blind 'til you sit up, sit up
Yeah, I was fine 'til I fell in love, fell in love
I never would've seen you baby
'Til your song came playing to the speakers
And, ooh, it's not the dress and your body
your lipstick that got me
it's the way you move Ooh, it's not the kiss and
that get me staring
it's the way you move And it's the way you move
Don't ever stop, ever stop
'Cos I can't get enough, get enough
Don't you ever stop, ever stop
I can't get enough, get enough Ooh, it's not the dress and your body
your lipstick that got me
it's the way you move Ooh, it's not the kiss and
that get me staring
it's the way you move Ooh, it's not the dress and your body
your lipstick that got me
it's the way you move Ooh, it's not the kiss and
that get me staring
it's the way you move And it's the way you move
