

# Planet Caravan

## Pantera

We sail  
Through endless skies  
Stars shine like eyes  
The black night sighs The moon  
In silver trees  
Falls down in tears  
Light of the night The Earth  
A purple blaze  
Of sapphire haze  
In orbit always While down  
Below the trees  
Bathed in a cool breeze  
Silver starlight breaks down the night  
And so  
We pass on by  
The crimson eye  
Of great god Mars  
As we travel  
The uni
