

# Still Into You

## Paramore

Can't count the years on one hand  
that we've been together  
I need the other one to hold you,  
make you feel, make you feel better  
It's not a walk in the park to love each other  
But when our fingers interlock,  
can't deny, can't deny you're worth it 'Cause after all this time  
I'm still into you I should be over all the butterflies...  
but I'm into you (I'm into you)  
And baby even on our worst nights...  
I'm into you (I'm into you)  
Let 'em wonder how we got this far  
'cause I don't really need to wonder at all  
Yeah, after all this time...  
I'm still into you  
Recount the night  
that I first met your mother  
And on the drive back to my house  
I told you that, I told you that I loved ya  
You felt the weight of the world fall off  
your shoulder  
And to your favorite song,  
we sang along to the start of forever And after all this time  
I'm still into you I should be over all the butterflies...  
but I'm into you (I'm into you)  
And baby even on our worst nights...  
I'm into you (I'm into you)  
Let 'em wonder how we got this far  
'cause I don't really need to wonder at all  
Yeah, after all this time...  
I'm still into you  
Some things just,  
some things just make sense  
And one of those is you and I  
Some things just, some things just make sense  
And even after all this time I'm into you  
Baby, not a day goes by that I'm not into you I should be over all the butterflies...  
but I'm into you (I'm into you)  
And baby even on our worst nights...  
I'm into you (I'm into you)  
Let 'em wonder how we got this far  
'cause I don't really need to wonder at all

Yeah, after all this time...  
I'm still into you I'm still into you  
I'm still into you
