Who Am I to Say

Hope

Love of my life, my soulmate
You're my best friend
Part of me like breathing
Now half of me is leftI don't know anything at all
Who am I to say you love me
I don't know anything at all

And who am I to say you need meColor me blue I'm lost in you

Don't know why I'm still waiting Many moons have come and gone

Don't know why I'm still searching

Don't know anything at all

And who am I to say you love me

I don't know anything at all

And who am I to say you need meHmmm hmmm mmm Uhhh oohhh aahhhHooo aahhh ohh ohhhNow you're a song I love to sing

Never thought it'd feel so free Now I know what's meant to be

And that's okay with meBut who am I to say you love me

And who am I to say you need me

And who am I to say you love me

Mmmm Hmmm

I don't know anything at all

And who am I to say you love me

I don't know anything at all

And who am I to say you need me

I don't know anything at all
