

# Give It All

## Rise Against

Break through the undertow, your hands I can't seem to find  
Pollution burns my tongue, cough words I can't speak so I stop my struggling, then I float to the  
surface

Fill my lungs with air, then let it out I give it all, now there's a reason why I sing  
So give it all, and it's these reasons that belong to me Rock bottoms where we live, and still we  
dig these trenches

To bury ourselves in them, backs breaking under tension For far too long these voices, muffled  
by distances

It's time to come to our senses, up from the dirt We give it all, now there's a reason why I sing  
So give it all, and it's these reasons that belong to me Breathe (breathe), the air we give (give)  
the life we live (live), our pulses racing distances

(breathe) so wet my tongue (give), break into song (live)  
through seas of competition

So please believe your eyes, a sacrifice

Is not what we had in our minds

I'm coming home tonight, home tonight

We give it all, now there's a reason why I sing

So give it all, and it's these reasons that belong to me

Today I offer all myself to this I'm living for my dying wish

I give it all, now there's a reason, there's a reason, to give it all
