## Skillet

Oh!  
Oh oh oh, oh oh oh, oh oh oh  
Oh! Oh oh oh, oh oh oh, oh oh oh My heart bleeds adrenaline  
The fire I breathe is where I live  
Say my name, incredible  
Say my name, an animal  
One life to live  
I'll never give up, I'll never give in Some people wanna turn and run (Run)  
But the strong rise under the gun Top, to the top  
Ain't never gonna stop  
To the top, to the top  
Ain't never gonna stop  
Never gonna keep me down (Never keep me)  
Still the one that's standin' now (Never falling)  
Destiny is callin' me  
Go down in history  
Every day I'll fight to be  
Legendary Oh!  
Oh oh oh, oh oh oh, oh oh oh  
Oh!  
Oh oh oh, oh oh oh  
Legendary Fly high or will I fall?  
Legends made when faith is strong Say my name, No time to plead  
Say my name, I'm conquering  
While I'm alive, I'll push through the pain, I'll run for the prize  
Some people wanna turn and run (Run)  
But the strong rise under the gun Top, to the top  
Ain't never gonna stop  
To the top, to the top  
Ain't never gonna stop Never gonna keep me down (Never keep me)  
Still the one that's standin' now (Never falling)  
Destiny is callin' me  
Go down in history  
Every day I'll fight to be  
Legendary Oh oh oh, oh oh oh, oh oh oh  
Everyday I'll fight to be  
Legendary Oh!  
Oh oh oh, oh oh oh, oh oh oh  
Oh!  
Oh oh oh, oh oh oh  
Legendary Wings are made to fly, made to fly (Made to fly)  
Fears are born to die, born to die (Born to die)

Pushin' through the pain, through the pain (Through the pain)  
Pushin' through, breakin' through  
Whatever it takes, what I gotta do  
Givin' my all, givin' all that I've got  
Never will stop 'til I get to the top Top, to the top  
Ain't never gonna stop  
To the top, to the top  
Ain't never gonna stop Never gonna keep me down (Never keep me)  
Still the one that's standin' now (Never falling)  
Destiny is callin' me  
Go down in history  
Every day I'll fight to be  
Legendary Never gonna keep me down (Never keep me)  
Still the one that's standin' now (Never falling)  
Destiny is callin' me  
Go down in history  
Every day I'll fight to be  
Legendary Oh!  
Oh oh oh, oh oh oh, oh oh oh  
Oh!  
Oh oh oh, oh oh oh  
Legendary  
Oh oh oh, oh oh oh, oh oh oh
