

# It's Not So Hard

## Sparklehorse

To wake  
Not swallowed by willows  
Half eaten by widows  
A new day's begun Smile  
'Cause nothing here matters  
The spiders get fatter  
Explode in the sun Oh c'mon c'mon c'mon c'mon  
It's not so hard  
Oh c'mon c'mon c'mon c'mon  
It's not so hard  
It's not so hard  
It's not so hard  
To trap  
The dead dogs of summer  
Assaulting your slumber  
Stay drunk ever more Rise  
Your jewelry will scatter  
On deserts and saturns  
The rings are on fire  
Oh c'mon c'mon c'mon c'mon  
It's not so hard  
C'mon c'mon c'mon c'mon  
It's not so hard  
Oh c'mon c'mon c'mon c'mon  
It's not so hard  
C'mon c'mon c'mon c'mon  
It's not so hard It's not so hard  
It's not so hard  
It's not so hard
