

# Outlaw Women

[Hank Williams Jr.](#)

She works in a bank and she works in a store  
And she don't go for that old stuff anymore  
She likes to get high and listen to the band  
She likes to make love to her kind of man  
These outlaw women first of their kind outlaw women they got you right on time  
Outlaw women don't need any guns outlaw women just out of fun In a way she's a lot like me  
she don't give a damn bout society  
Might be little rich girl she might be poor  
Might be a married woman that needs a little more  
Yeah she's a outlaw woman first of the kind  
These outlaw women ridin' high in seventy-nine  
These outlaw women don't need any guns these outlaw women just out of fun
