

Heartaches By the Number (feat. Elvis Costello)

[Rosanne Cash](#)

Heartache number one was when you left me
I never knew that I could hurt this way
Heartache number two was when you come back again
You came back and never meant to stay Now I've got heartaches by the number, troubles by the
score
Everyday you love me less, each day I love you more
Yes, I've got heartaches by the number, a love that I can't win
But the day that I stop counting that's the day my world will end Heartache number three was
when you called me
And said that you were coming back to stay
With hopeful heart I waited for your knock on the door
I waited but you must have lost your way
Now I've got heartaches by the number, troubles by the score
And everyday you love me less, each day I love you more
Yes, I've got heartaches by the number, a love that I can't win
But the day that I stop counting that's the day my world will end
The day that I stop counting that's the day my world will end
