

# Walk Along the River

## The Laurie Berkner Band

When I walk along the river, I take a step, I take a step, I take another step (x3)  
I love to watch the river flow (x2)  
It goes ooh wah, ooh wah, ooh wah, ooh wah, ooh wah, ooh wah, ooh wah ooh (x2)  
When I jump along the river, I jump a step, I jump a step, I jump another step (x3)  
And I love to watch the river flow  
I love to watch the river flow  
It goes ooh wah, ooh wah, ooh wah, ooh wah, ooh wah, ooh wah, ooh wah ooh (x2)  
When I dance along the river, I dance a step, I dance a step, I dance another step (x3)  
I love to watch the river flow (x2)  
It goes ooh wah, ooh wah, ooh wah, ooh wah, ooh wah, ooh wah, ooh wah ooh (x6)  
And I love to watch the river flow  
I love to watch the river flow (x2)
