Walk Along the River

The Laurie Berkner Band

When I walk along the river, I take a step, I take a step, I take another step (x3)
I love to watch the river flow (x2)

It goes oooh wah, oooh wah, oooh wah, oooh wah, oooh wah, oooh wah, oooh wah oooh (x2) When I jump along the river, I jump a step, I jump a step, I jump another step (x3)

And I love to watch the river flow

I love to watch the river flow

It goes oooh wah, oooh wah, oooh wah, oooh wah, oooh wah, oooh wah oooh (x2) When I dance along the river, I dance a step, I dance a step, I dance another step (x3) I love to watch the river flow (x2)

It goes oooh wah, oooh wah, oooh wah, oooh wah, oooh wah, oooh wah, oooh wah oooh (x6)

And I love to watch the river flow
I love to watch the river flow (x2)
