

# Train (Live From Air Studios)

## Goldfrapp

Plastic brain scar  
I want laser  
I'm your chauffeur  
With high gloss highs  
Take you where you want  
Can't stop, oh off the train  
Train, yeh, yeh, yeh  
Wolflady  
Sucks my brain  
Apricot  
Sunrise came  
L.A. nights  
Just roll in  
Can't stop, oh off the train  
Train, yeh, yeh, yeh  
Nasal douche  
Poolside line  
Softlit tan  
What's your sign?  
Hold my hand  
Just roll in  
Can't stop, oh off the train  
Train, yeh, yeh, yeh  
Can't stop, oh off the train  
Train, yeh, yeh, yeh  
Can't stop, oh off the train  
Train, yeh, yeh, yeh
