Gangster Of Love

Chorus:

If you got a man

But he ain't treating you right

You should stay my way

Even for just one night

I'll give you what you want

Kisses you've been dreaming of

That's why they call me

They call me the gangster of love

When your man's away

When you want to play

I'll give you what you want

Kisses you've been dreaming of

That's why they call me

They call me the gangster of love

It's time to make your move

We can't be wasting time

I've got a funny feeling tonight

I'm gonna make you mine

I'm gonna give you the love

You know that you deserve

Tell me what you want

Our moment isn't ready to stop

Candlelight, roses and champagne

Let me kiss your lips

Your never gonna be the same

Rest your head upon my chest

Close you're eyes

Let the gangster do the restChorus

Don't let him bring you down

I don't wanna see you cry

Baby, if he's bringing you pain

It's time to say goodbye

I've only got one night

I gotta catch my plane

Let me hold you now

Your never gonna be the same

Dim the lights, girl let me hold you

Baby, when I'm gone

Remember what I told you
When you need a night of love so true
Hold on girl
The gangster's coming back to you
