

I'd Want It To Be Yours

Justin Moore

Looks like two cute little pigs in a toe sack
I'm telling you right now, baby you got back
You're shaking it low at a country show
Everybody's saying whoa whoa
Just look at that bobo
I know you know You're a little bit of J-Lo
A little bit of Kim Kardashian
It's big, it ain't tiny, I'm diggin' that hiney
It's a classy one
Might be a bullshitter
But I ain't no ass kisser
'Least I've never been one before
But if there's anybody's ass I'd kiss
I'd want it to be yours, whoa, whoa, whoa
Hate to see you go but I love to watch you leave girl,
Those Daisy Dukes and boots are rockin' my world
Even Snoop D.O. Double G would be jealous of me in this Chevy
When you're on this bench seat
'Cause girl your booty's A little bit of J-Lo
A little bit of Kim Kardashian
It's big, it ain't tiny, I'm diggin' that hiney
It's a classy one
Might be a bullshitter
But I ain't no ass kisser
'Least I've never been one before
But if there's anybody's ass I'd kiss
I'd want it to be yours, whoa, whoa, whoa Those watermelons you got shoved in your pants
Make me wanna take a bite when you dirty dance
Girl your behind is
A little bit of J-Lo
A little bit of Kim Kardashian
It's big, it ain't tiny, I'm diggin' that hiney
It's a classy one
Might be a bullshitter
But I ain't no ass kisser
'Least I've never been one before
But if there's anybody's ass I'd kiss
I'd want it to be yours, whoa, whoa, whoa
Oh I'd want it to be yours, whoa, whoa
I'd want it to be yours
