F*** Dem Other Hoes Fuck dem other hoes, fuck dem other bitches

Fuck dem other hoes, fuck dem other bitches

Fuck dem other hoes, fuck dem other bitches

I'll ride for my hoes

I'll die for my bitches Fuck you hoes, I'm the baddest lady

All my shit niggas hear, I know it drive them crazy

5'5" thick in the thighs, and I know you want it

Hoes hatin and plottin they scream by the way I flaunt it

Doing my thing how I want is how I represent it

Me and my hoes down south, that's how we gon kick it

Spit my flow the way I do because I'm just beginning

Big dumb ass hoes you better pay attention

I'll be that bitch that'll always put it down

Niggas hatin me cuz I'm fuckin with they kind

I'll be that bitch that'll call it like it is

Me and dirty down gon rock this bitch, so fuck you hoes

Fuck dem other hoes, I'll ride for my hoes

Bitch I'll kill for my hoes, nigga die for my hoes

Go to war with my muthafuckin hoes

We'll fuck your ass up, bitch you just don't know

Represent dirty town from the south

You talkin that shit, watch your muthafuckin mouth

And talkin that shit bitch you know what I'm about

And talkin that shit will get your ass knocked out

Don't win against the rules or the games that we play

Don't wanna get it down, pussy hoe you gon pay

And snatch your red weave out your muthafuckin hair

And beat your ass down bitch I just don't care

Nigga what say Fuck dem other hoes, bitches

Those old trickin ass no makin money ass hoes

I'm sick and tired, I'm sick and tired of this bullshit

You hoes worry bout me and who I creep with

How I suck on the dick and make him nut quick

How when I'm coming home you tryna start shit

Cuz he's not fuckin your or paying your bills

Know you sweatin the "G" the place where I live

You barking up the wrong tree, I got this nine hoe

Bitch you fuckin with me, you bout to die hoe

You hoes hatin on me cuz I'm a real bitch

Tell it just like it is, don't sugar coat shit

I'll put my foot in your ass, I'll cut your throat bitch
Then get some head for you life and get it over with- repeat to end
