

# 1 Up (feat. Lil Boss, Wiz Khalifa & Jadakiss)

## Trae tha Truth

I'm 1 up, pussy nigga run up  
Play me for a hoe and I'mma pull up with a gun up  
Bitch you see the team, got me lookin like the sun up  
On that old fly will get a nigga done up  
Believe that I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up()  
H Town, Money Gang, nigga ain't shit slow  
Got the hood trippin, truck sounded like a kick throw  
Hustle Gang everything, tell them niggas get though  
Young Tom, posted at the scale tryna get blow  
Nigga fuck the crib, I hit the lot and let a bitch know  
4 hoes ain't enough, tell em get 6 mo  
Strap it up, let a bitch ride it like a 6-4  
When I'm done send em to they whippin to them get go  
Then I'm back mobbing through the city like a black ghost  
First jack, I'm thinkin I'm dinner, I keep black toast  
Young Truth never seek a cheese, no lactose  
Jump out on a hater front step, hit him neck close

I'm 1 up, pussy nigga run up  
Play me for a hoe and I'mma pull up with a gun up  
Bitch you see the team, got me lookin like the sun up  
On that old fly will get a nigga done up  
Believe that I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up()  
I'm 1 yup, on the block from sundown to sun up  
Mobbing through the city, I would never put my gun up  
Chalupa on truck loads, yelling out fuck hoes  
Got a bitch naked in the club like fuck clothes  
These niggas fucked around and woke the beast up  
Back to the pony tails, kakis and cree stuff  
HGC til the whole world freeze up  
Hand out the window while I'm throwin my C's up  
Chyeah, blaze my motherfuckin weed up  
Fuck the police til them hoes lift D's up  
I'm on one, 7.62's penetrate  
Piss me off at the wrong time, I demonstrate

I'm 1 up, pussy nigga run up  
Play me for a hoe and I'mma pull up with a gun up  
Bitch you see the team, got me lookin like the sun up  
On that old fly will get a nigga done up  
Believe that I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up()  
I wake up, bake up, gotta get my cake up  
Pussy feel good, look great without no make up  
Real nigga here, not a faker  
I hate yall, a boss nigga certified playa  
Niggas want beef? Give it to em like a waiter  
Shawty want the wood so you know I had to steak er  
Treat er like a maker, get a room, treat it like Jamaica  
Just one time treat it like a favor, the vit's on me  
You gotta smoke? I got a couple zips on me  
Got diamonds on but I be doing shit low key  
Don't gotta make the car, my niggas rippin shits  
'Cus real niggas don't slip bitch()  
I'm 1 up, out here, still tryna come up  
First you feel the burning sensation then you numb up  
Act like you tryin to hang and get hung up  
Soon as you bang bang charges, get run up  
Bring a nigga right to the register, get him rung up  
Used to go see my connect and pick a turn up  
Quickest way to get some respect - pick a gun up  
And just start shootin whoever you in front of  
Top 5, dead or alive, I'm just one of  
One shot dead, one life, you get one love  
All that old fly shit will get a nigga done up  
Score board cleanin shows that I'm one of()  
I'm 1 up, pussy nigga run up  
Play me for a hoe and I'mma pull up with a gun up  
Bitch you see the team, got me lookin like the sun up  
On that old fly will get a nigga done up  
Believe that I'm 1 up, I'm 1 up  
I'm 1 up, I'm 1 up
