

# Believer

## Ozzy Osbourne

Watching time go and feeling belief grow  
Rise above the obstacles  
People beseech me  
But they will never teach me  
Things that I already know  
I know Dreams that I have shattered  
May not have mattered  
Take another point of view  
Doubts will arise though  
Like chasing a rainbow  
I can tell a thing or two  
That's true  
You've got to believe in yourself  
Or no one will believe in you  
Imagination like a bird on the wing  
Flying, free for you to use  
OK baby I can't believe they stop and stare  
And point their fingers doubting me  
Their disbelief suppresses them  
But they're not blind  
It's just that they won't see  
I'm a believer, I ain't no deceiver  
Mountains move before my eyes  
Destiny planned out I don't need no handout  
Speculation of the wise
