

# There for You

## Prince Royce

There was a time, when no one would love me  
But you took me in your heart, and said I'm here to stay  
You never said why, but why would you trust me?  
It's like you could tell the difference between who I was and  
Who I am today, and in that moment, shown me that we  
Can make it last forever, cus if you love me at my worst  
Oh darling, it only gets better whatever the world may say  
about the choice you made, you fought that fight and stayed right by my side so, I wanna make  
sure they know  
That you're responsible, for making me, everything you  
always knew I was, you said you wanted a lover, a best friend, an anchor, who you believe in,  
your love is the sweetest love I know  
So I'll be there for you,  
I'll be there for you, you deserve the best of everything  
You are the only one so I'll be there for you  
I'll be there for you  
Baby I know, I know you hear stories about all those crazy  
games I used to play, they say I'm selling you a dream,  
But you never judged me, even when all the cards were stacked against us,  
You put all your money on love yeah,  
and in that moment, shown me that we  
Can make it last forever, cus if you love me at my worst  
Oh darling, it only gets better whatever the world may say  
about the choice you made, you fought that fight and stayed right by my side so, I'll make sure  
they know  
That you're responsible, for making me, everything you  
always knew I was, you said you wanted a lover, a best friend, an anchor, who you believe in,  
your love is the sweetest love I know  
So I'll be there for you,  
you deserve the best of everything  
You are the only one, I'll be there for you  
Anything you want, I'll do it  
Por ti todavia todo es mi única amor  
I'll make sure they know, that you're responsible, for making  
me, everything you always knew I was, you said you wanted  
a lover, a best friend, an anchor, who you believe in, your  
love is the sweetest love I know  
So I'll be there for you, I'll be there for you  
You deserve the best of everything, you are the only one  
So I'll be there for you, I'll be there for you, I'll be there for you
