

# Ghetto Child (Demo Version)

Curtis Mayfield

Little child, runnin' wild  
Watch a while, you see he never smiles  
Broken home, father gone  
Mama tired so he's all alone  
Kind of sad, kind of mad  
Ghetto child, thinkin' he's been had  
But I can just hear him  
In the back of his mind sayin'  
Didn't have to be here  
You didn't have to love for me  
While I was just a nothin' child  
Why couldn't y'all just let me be  
Let me be, let me be, let me be  
Little child, runnin' wild  
Watch a while, you see he never smiles  
Broken home, daddy gone  
Mama tired and he's all alone  
Kind of sad, oh, baby, kind of mad  
Ghetto child, thinkin' he's been had  
And I can just hear him sayin'  
I didn't have to be here  
You didn't have to love for me  
While I was just a nothin' child  
Why couldn't they just let me be  
Let me be, let me be, let me be  
Ain't got no money
