Jessie Reyez & JRM

Verse 1: Jessie Reyez]

Hi, my name is Doesn't Matter
I like making bad decisions
Let's wake up like nothing happened
If we do it, say we didn't
If your friends ask if you hit it
You can tell 'em, I'll admit it
I wear that shit like a badge
'Cause I know that I got that kitty [Chorus: Jessie Reyez]
You, you're in love with somebody else
Maybe I could offer some help
Get over them by getting under me
But you might OD if you get too much of me
OD if you get too much of me
OD if you get too much of me, yuh

[Verse 2: Jessie Reyez]

Hi, my name is not important
I'm not from here, I'm imported
I drink liquor like it's water
Hope my liver can afford it
I've been lying here with you [?]
I've been lying here, I'll be lying here
I'm under the covers
Like what happened here ain't nothing sacred
Shit that got me fucked up is
I know that dude just saw me naked
Not interested in a broken heart
But who'd a thought it'd take me ages?
I ended up here 'cause my girls said
"Fake it 'til you make it"
[Chorus: Jessie Reyez]

You, you're in love with somebody else
Maybe I could offer some help
Get over them by getting under me [Verse 3: JRM]

Hi, my name is not important
I'm not from here, I'm imported
I drink liquor like it's water
Hope my liver can afford it
Marvin type of healing
Got you all up in your feelings
Staring at the ceiling
Like, "I hope he still here in the morning"

You under the covers
Like what happened here ain't nothing sacred
I can tell you fucked up over
Someone else you can't replace, and
You finally realized
That broken love just ain't worth saving
You tryna lick the wounds
But someone's not reciprocatin'[Chorus: JRM & Jessie Reyez]
You, you're in love with somebody else
You're in love with somebody else
Well, maybe I could offer some help
Maybe I could offer some help
Get over them by getting under me
But you might OD if you get too much of me
OD if you get too much of me, uh
Get over him by getting under me
But you might OD if you get too much of me[Chorus: Jessie Reyez & JRM]
'Cause you're in love with somebody else
Well, maybe I could offer some help
Get over them by getting under me
But you might OD if you get too much of me
Might OD if you get too much of me
Get over him by getting under me
But you might OD if you get too much of me[Outro: Jessie Reyez]
OD if you get too much of me
I'd OD if you get too much of me
OD if you get too much of me
