You're the Kind of Trouble

Solomon Burke & Patty Loveless

When I was young I was told
Try to be just as good as gold
Fly right child walk that line
Keep it straight and you? ll be just fineWell, they didn? t have to worry
About a thing I? d do
But you? re the kind of trouble
I could get intoPeople say you can? t be tamed
You? re in the heart breakers hall of fame
Got? em all standing in line
Yeah, I can read the warning signsIt? s a danger zone
That I? m traveling through
And you? re the kind of trouble
I could get into
You? re the kind of trouble
That? s hard to resist
I? d hate to think about
All the fun I? d missI? ve heard the rumors
And I hope they? re true
'Cause you? re the kind of trouble
I could get intoDon? t drink much, cough when I smoke
Ain? t many rules that I ever broke
Keep to myself, lead a real quiet life
Don? t stay out too late at nightThey say I ain? t a wild one
But if they only knew
You? re the kind of trouble
I could get into
You? re the kind of trouble
I could get into
You? re the kind of trouble
I could get into
You? re the kind of trouble
I could get into
You? re the kind of trouble
I could get into
