

# Lullaby

Leonard Cohen

Sleep baby sleep  
The day's on the run  
The wind in the trees  
Is talking in tongues If your heart is torn  
I don't wonder why  
If the night is long  
Here's my lullaby  
Here's my lullaby  
Well the mouse ate the crumb  
Then the cat ate the crust  
Now they've fallen in love  
They're talking in tongues If your heart is torn  
I don't wonder why  
If the night is long  
Here's my lullaby  
Here's my lullaby Sleep baby sleep  
There's a morning to come  
The wind in the trees  
They're talking in tongues  
If your heart is torn  
I don't wonder why  
If the night is long  
Here's my lullaby  
Here's my lullaby
