Far East Movement

Dirty bass
I love that
Dirty bass
I love that! Dip low when I feel loco
Don't trip, make a dip like a lolo
Uh, make a dip like a lolo
Then I roll on, roll on Uh I love that dirty bass, uh, uh
I love that, uh, uh
I love that, I love that dirty bass, uh
I love that, I love that I love that
Dirty

Dirty
Yo, I make girls jiggle, right down the middle
My girl's from Assadena, she ain't that ghetto
She likes to zip the puff, VIP at the club
But when it comes to bass my girl got a banging trunk Think the way that you roll (think the
way that you roll)
Put your bass down low (put your bass down low)
You can come to the crib (you can come to the crib)
Leave your shoes at the door (Leave your shoes at the door)
You know what you're here for (You know what you're here for)
Girl, shake that dirty bass, real girls get down on the floor Deep low when I feel loco
Don't trip, make a dip like a lolo
Uh, make a dip like a lolo
Then I roll on, roll on
Uh I love that dirty bass, uh, uh
I love that, uh, uh
I love that, I love that dirty bass, uh
