

Java Junkie

Dance Hall Crashers

It started when he was just a young boy
Coffee soon became his favorite toy
A cup in the morning began his day,
Soon he was drinking coffee all day
Java junkie - always has a cup of,
Java junkie - never gets enough of,
Java junkie - drinking coffee all day,
Java junkie - to the coffee god he prays.
He's an addict, and that's a fact,
But at least he's not smoking crack
But at least he's not smoking crack
He's an addict, and that's a fact,
But at least he's not smoking crack
But at least he's not smoking crack
You can be sure of that.

His parents feared his new found addiction
So they hid all the coffee away in the kitchen.
Nothing could stop him they knew it was true
He was totally hooked on the java brew.
Java junkie - always has a cup of,
Java junkie - never gets enough of,
Java junkie - drinking coffee all day,
Java junkie - to the coffee god he prays.
He's an addict, and that's a fact,
But at least he's not smoking crack
But at least he's not smoking crack.
He's an addict, and that's a fact,
But at least he's not smoking crack
But at least he's not smoking crack.
