If I Believe You

The 1975

I've got a God shaped hole that's infected And I'm petrified of being alone now

It's pathetic, I knowAnd I tossed and I turn in my bed

It's just like I Lost my head (Lost my head)And if I believe you

Will that make it stop?

If I told you I need you

Is that what you want?

And I'm broken and bleeding

And begging for help

And I'm asking you Jesus, show yourself

I thought I'd met you once or twice

But that was just because the dabs were nice and opening up my mind

Showing me consciousness is primary in the universe

And I had a revelation

I'll be your child if you insist

I mean if it was you that made my body

You probably shouldn't have made me atheist

But, oh, I'm a lesbian kiss

I'm an evangelist

And if you don't want to go to hell then Miss, you better start selling this And if I believe you

Will that make it stop?

If I told you I need you

Is that what you want?

And I'm broken and bleeding

And begging for help

And I'm asking you Jesus, show yourself

If I'm lost then how can I find myself?

If I'm lost then how can I find myself?

If I'm lost then how can I find myself?

If I'm lost now then how can I find myself?

If I'm lost now then how can I find myself?

If I'm lost then how can I find myself?

Then how can I find myself?

If I'm lost now then how can I find myself?

Yeah, yeah, yeah

If I'm lost now then how can I find myself?

Yeah, yeah
