## Janet Jackson

I heard from a friend today  
And she said you were in town  
Suddenly the memories came back to me  
In my mind How can I be strong I've asked myself  
Time and time I've said  
That I'll never fall in love with you again A wounded heart you gave  
My soul you took away  
Good intentions you had many  
I know you did I come from a place that hurts  
And God knows how I've cried  
And I never want to return  
never fall again  
Making love to you  
Oh it felt so good and  
Oh so right How can I be strong I've asked myself  
Time and time I've said  
That I'll never fall in love with you again So here we are alone again'  
Didn't think it'd come to this  
And to know it all began  
With just a little kiss I've come too close to happiness  
To have it swept away  
Don't think I can take the pain  
No never fall again  
Kinda late in the game and my heart is in  
Your hands  
Don't you stand there and then  
Tell me you love  
Me then leave again  
Cause I'm falling in love with  
You again Hold me  
Hold me  
Don't ever let me go  
Say it just one time  
Say you love me  
God knows I do  
Love you  
Again
