

# Loving You (Funk Generation H3D Rush Radio Mix)

Matt Cardle & Melanie C

1: Matt Cardle

Leave your door open,  
I wanna come over  
The night is only young  
I wanna get under your body  
Take you over, come undonePre-  
But why do we only give it up?  
Give it up in the dark  
Cause I can't help thinking  
It's not enough,  
It's not enough for this heart  
Who do you think about when I'm not with you?  
Does somebody hold you when you let me go?  
You can't hide, you can't lie  
Cause baby I'm loving, loving, loving you  
I could tell myself that I don't need you  
I could try to run away from the truth  
I can't hide, I can't lie  
Cause baby I'm loving, loving, loving you2: Melanie C

My door is open

Come on over, the night is still young  
I wanna get over your body  
Take you under, come undonePre-  
But why do we only give it up?  
Give it up in the dark  
Cause I can't help thinking  
It's not enough,  
It's not enough for this heart  
Who do you think about when I'm not with you?  
Does somebody hold you when you let me go?  
You can't hide, you can't lie  
Cause baby I'm loving, loving, loving you  
I could tell myself that I don't need you  
I could try to run away from the truth  
I can't hide, I can't lie

Cause baby I'm loving, loving, loving youMatt Cardle & Melanie C:

Would it change if I asked you to stay?

If I pulled, would it push you away?

But it's just the chance I'll take

Cause I want your lovingWho do you think about when I'm not with you?

Does somebody hold you when you let me go?  
You can't hide, you can't lie  
Cause baby I'm loving, loving, loving you  
I could tell myself that I don't need you  
I could try to run away from the truth  
I can't hide, I can't lie  
Cause baby I'm loving, loving, loving you  
Baby I'm loving, loving, loving you  
Baby I'm loving, loving, loving you
