

The Mountains Win Again

Blues Traveler

I pick up my smile, put it in my pocket
Hold it for a while, try not to have to drop it
Men are not to cry, so how am I to stop it?
Keep it all inside, don't show how much she rocked ya
Ooo, can you feel the same?
Ooo, you gotta love that pain
Ooo, it looks like rain again
Ooo, feel it comin' in
The mountains win again
The mountains win again
Dreams we dreamed that night were never meant to come to life
I can't understand the ease she pulled away her hand
This time in my life I was hurt enough to care
I guess from now on I'll be careful what I share
Oh, can you feel the same?
Oh, you gotta love that pain
Yeah, it looks like rain again
Yeah, feel it comin' in
The mountains win again
A pocket is no place for a smile anyway
Someday I will find a love again will blow my mind
And maybe it will be that love that got away from me
Is there a line to write that could make you cry tonight?
Can you feel the same?
Yeah, you gotta love the pain
Oh, it looks like rain again
Oh, feel it comin' in
The mountains win again
Oh, the mountains win again, win again
The mountains win again
