

# Love Scars

Trippie Redd

Aye  
Lil 14, yeah You used to say you in love  
I used to say that shit back  
Thinking that shit from the heart  
Now look where the fuck where we at  
Girl you got me, just going out bad  
Love scars, you got me real sad  
Lookin like you had a past I just thought this shit was the last, oh Shawty, I just want your love  
for a minute  
I be captain baby, you can be lieutenant Swear I lose my mind everytime that I'm in it  
You won't get a dime, naw naw not mine  
Spend it, spend it  
I been here for a minute, minute, aye  
Playin games with me shawty  
This is not no scrimmage, scrimmage  
Swear that I did it, did it  
I do it, I does it, I does it  
Shout-out my bloody, my whoadie  
Lil' nigga, and shout out my bousins, woah  
I swear I'm bloodied up b's  
Never throwing up, c's  
These niggas is disgusting  
Something like a disease  
Your bitch pussy nasty as fuck  
She got a lil bit of yeast  
Gettin all the money, count it up  
Count up all my green, woah  
Girl you got me going out, bad  
girl you got me real sad  
Devil in me make me mad  
You used to say you in love  
Yeah, Aye  
Shawty you so fucked up  
You used to say you in love  
You got me so fucked up  
Shawty I don't need you anyway  
I just sit back in my Balenciaga  
Sipping that lemonade  
Mixing it with Hennessey  
Dominating any enemy
