

# Butterfly Kisses

Bob Carlisle

There's two things I know for sure:  
She was sent here from heaven and she's daddy's little girl.  
As I drop to my knees by her bed at night  
She talks to Jesus and I close my eyes  
and I thank god for all of the joy in my life  
Oh, but most of all  
For butterfly kisses after bedtime prayer  
sticking little white flowers all up in her hair  
"Walk beside the pony, Daddy, it's my first ride."  
"I know the cake looks funny, Daddy, but I sure tried."  
Oh, with all that I've done wrong, I must have done something right  
To deserve a hug every  
morning And butterfly kisses at night.  
Sweet 16 today  
She's looking like her mama a little more everyday  
One part woman, the other part girl.  
To perfume and make-up from ribbons and curls  
Trying her wings out in a great big world.  
But I remember...  
Butterfly kisses after bedtime prayer  
sticking little white flowers all up in her hair." You know how much I love you, Daddy  
But if you don't mind I'm only gonna kiss you on the cheek this time."  
Oh with all that I've done wrong I must have done something right  
to deserve her love every morning and butterfly kisses at night. All the precious time  
Like the wind, the years go by.  
Precious butterfly.  
Spread your wings and fly.  
She'll change her name today.  
She'll make a promise and I'll give her away.  
Standing in the bride-room just staring at her.  
She asked me what I'm thinking and I said  
"I'm not sure-I just feel like I'm losing my baby girl."  
She leaned over  
Gave me butterfly kisses with her mama there  
Sticking little white flowers all up in her hair  
"Walk me down the aisle, Daddy-it's just about time."  
"Does my wedding gown look pretty, Daddy? Daddy, don't cry"  
Oh, with all that I've done wrong I must have done something right.  
To deserve her love every morning and butterfly kisses  
I couldn't ask God for more, man this is what love is.  
I know I gotta let her go, but I'll always remember  
Every hug in the morning and butterfly kisses...
