

Rose, Rose, I Love You

Frankie Laine

Rose, Rose I love you with an aching heart
What is your future, now we have to part?
Standing on the jetty as the steamer moves away
Flower of Malaya, I cannot stay Make way, oh, make way for my eastern Rose
Men crowd in dozens everywhere she goes
In her rickshaw on the street or in a cabaret
"Please make way for Rose", you can hear them say All my life I shall remember
Oriental music and you in my arms
Perfumed flowers in your tresses
Lotus-scented breezes and swaying palms
Rose, Rose I love you with your almond eyes
Fragrant and slender 'neath tropical skies
I must cross the seas again and never see you more
Way back to my home on a distant shore All my life I shall remember
Oriental music and you in my arms
Perfumed flowers in your tresses
Lotus-scented breezes and swaying palms Rose, Rose I leave you, my ship is in the bay
Kiss me farewell now, there's nothin' to say
East is east and west is west, our worlds are far apart
I must leave you now but I leave my heart
Rose, Rose I love you with an aching heart
What is your future, now we have to part?
Standing on the jetty as the steamer moves away
Flower of Malaya, I cannot stay
(Rose, Rose I love you, I cannot stay)
