

Me! I Disconnect from You

Gary Numan & The Tubeway Army

The alarm rang for days
You could tell from conversations
I was waiting by the screen
I couldn't recognise my photograph
Me, I disconnect from you I was walking up the stairs
Something moved in silence
I could feel his mind decaying
Only inches away from me
And I disconnect from you
Please don't turn me off
I don't know what I'm doing outside
Me and the telephone that never rings
If you were me what would you do?
Me, I disconnect from you
