

# Addison Rae

## The Kid LAROI

I need a bad bitch (Okay), uh  
Addison Rae, lil' shawty the baddest (Yeah)  
And she got away, shawty a savage, (She did) yeah Lil' shawty don't play, I need a bad bitch  
I need me some bad shit Addison Rae, I need a bad bitch (God damn), uh  
Addison Rae, lil' shawty the baddest, yeah  
And she got away, shawty a savage, yeah  
Lil' shawty don't play, I need a bad bitch  
I need me some bad shit, Addison Rae I'ma take you out  
Let me show you all the things that I'm about  
The last girl that I was with  
Kinda left me down  
And I wish her well, but baby  
Now it's time for us  
She told me that I'm not enough, not enough  
She called me out a couple times, couple times  
She told me that she done with me, done with me  
She told me this the last time, and that's why (That's why) I need a bad bitch (Okay), uh  
Addison Rae, lil' shawty the baddest, yeah  
And she got away, shawty a savage, (She did), yeah  
Lil' shawty don't play, I need a bad bitch  
I need me some bad shit I need a bad bitch (Okay), uh  
Addison Rae, lil' shawty the baddest, yeah  
And she got away, shawty a savage, (She did), yeah  
Lil' shawty don't play, I need a bad bitch  
I need me some bad shit, Addison Rae  
I remember times, I would come over  
We was fuckin' on your sofa  
Funny how times changed  
Now I'm onto bigger and better, damn  
Who told you That I was fuckin' on your friends?  
I know that we left off  
On the wrong foot but I'm tryna make amends  
Not talkin' a TV show but she Breaking Bad, yeah You got me reminiscin', takin' it back, yeah  
Back when they loved me for me, not my bag, yeah  
Now all shawty want is a Gucci bag, yeah  
A Louis bag I need a bad bitch, uh (I need, I need, I need)  
Addison Rae, lil' shawty the baddest, yeah  
And she got away, shawty a savage, yeah  
Lil' shawty don't play  
I need a bad bitch, I need me some bad shit, Addison Rae I need a bad bitch, uh  
Addison Rae, lil' shawty the baddest, yeah  
And she got away, shawty a savage, yeah

Lil' shawty don't play  
I need a bad bitch, I need me some bad shit, Addison Rae
