

# You Got the Bomb

Brian McKnight

Can't remember  
The last time I felt this way  
You're keeping a smile on my face  
You know exactly how I tick  
Everytime I light the wick  
Seems like you're ready to explode  
I want you to know You got the bomb  
Just can't get enough  
You got the bomb, bomb  
Just keep on blowin' me up  
You got the bomb, bomb  
Just can't get enough  
You got the bomb, bomb, blowin' me up  
I recall  
The first time I kissed your lips  
(Think I'm gonna shout about it)  
(Baby, there's no doubt about it)  
Whenever you want me girl, I'm there  
Whatever the time, girl I don't care  
I got no place to go  
Baby, I know  
Every day and every night I pray  
You'll never take your love away  
You're all that I want all that I need
