

I'd Love You to Want Me

[John Holt](#)

When I saw you standing there
I about fell off my chair
When you moved your mouth to speak
I felt the blood go to my feet It took time for me to know
What you tried so not to show
Something in my soul just cried
I see it all in your blue eyes Baby, I'd love you to want me
The way that I want you
The way that it should be
Baby, you'd love me to want you
The way that I want to
If you'd only let it be
You told yourself years ago
You'd never let your feelings show
The obligation that you made
For the title that they gave Baby, I'd love you to want me
The way that I want you
The way that it should be
Baby, you'd love me to want you
The way that I want to
If you'd only let it be Let it be, let it be, let it be
Let it be, speaking word wisdom, let it be, let it be It took time for me to know
What you tried so not to show
Something in my soul just cried
I see it all in your blue eyes
Baby, I'd love you to want me
The way that I want you
The way that it should be
Baby, you'd love me to want you
The way that I want to
If you'd only let it be Oh baby, I'd love you to want me
The way that I want you
The way that it should be
Baby
