

# Loving You Is Killing Me

[Aloe Blacc](#)

Loving you, is killing me  
When you know it should be thrilling meLoving you, is choking me slowly  
When I'm with you i still feel real lowlyLoving you, is busting me  
You don't ever put your trust in meLoving you, should mean that I'm your king  
You don't make me feel like anythingNow i never knew you'd be so evil  
How did you get to be so evil yeahNow you telling me, that I'm bad to you  
You don't know what your talking 'bout girlHear me when i say  
You can't just do whatever you want, girl  
Loving you, is killing me  
When you know it should fulfill meLoving you, is aching me sadly  
You know that it should make me happyLoving you, ain't worth all the suff'ring  
In return you never give me nothingHere's the news about loving you  
Well it's something that i used to doStop children, whats that sound  
Looking my heart all over the groundStop children, what' you see  
Why you keep shootin' at meI never knew you'd be so evil  
How did you get to be so evil yeahNow you telling me, that I'm bad to you  
You don't know what your talking 'bout girl  
Hear me when i say  
You can't just do whatever you want, girlLoving you  
Is killing me  
Is killing meLoving you  
Is killing me  
Is killing me yeahLoving you, is killing me  
When you know it should be building meLoving you, is holding me back  
Why the hell you make me feel like thatLoving you, ain't worth all the suff'ring  
In return you never give me nothingHere's the news about loving you  
Well it's something that i used to doI never knew you'd be so evil  
How did you get to be so evil yeahNow you telling me, that I'm bad to you  
You don't know what your talking 'bout girlHear me when i say  
You can't just do whatever you want, girl
