Kick Drum (Nacho Chapado & Ivan Gomez Mix)

London Rose, Ivan Gomez & Nacho Chapado

Ahh ahh ahh ahh beat beat Ahh ahh ahh beat beat

Close to you you make my

Heart beat faster than ever before

I try to say how I feel

But words don't come out how I want anymore

Everytime you're close to me

I want you to know

But it's hard to show

My heart is like a kick kick drum

I can't let it go if it possible

I think you are the one

Knees get weak I can't speak

Can't even stand on my own two feet

I want you to know

My heart is like a kick kick kick drum

If you get any closer

You'll hear this thunder underneath my chest

Inside is how I feel don't know why I can't seem to say the rest

Everytime you're close to me

I want you to know

But it's hard to show

My heart is like a kick kick kick drum

I can't let it go if it possible

I think you are the one

Knees get weak I can't speak

Can't even stand on my own two feet

I want you to know

My heart is like a kick kick kick drum

Ahh ahh ahh beat beat

I get you you'd get me

If you could feel my heart beat

I get you you'd get me

If you could feel my heart beat

I want you to know

But it's hard to show

My heart is like a kick kick kick drum

I can't let it go if it possible
I think you are the one
Knees get weak I can't speak
Can't even stand on my own two feet
I want you to know
My heart is like a kick kick drum
