

# Perfect Weapon

## Black Veil Brides

Awake at night you focus  
On everyone whose hurt you  
Then write a list of targets  
Your violent lack of virtue Leave us alone!  
You're on your own!  
Go! We are breathing  
While your sleeping go  
And leave us alone  
The liars cheating  
Our hearts beating, go  
And now you're on your own. Here's to your perfect weapon  
Crack bones with blind aggression  
Like birds whose wings are broken  
You live without direction  
Leave us alone!  
You're on your own! We are breathing  
While your sleeping, go  
And leave us alone  
The liars cheating  
Our hearts beating, go  
And now you're on your own. GO!  
GO!  
GO!  
GO!  
And now you're on your own!  
GO!  
GO!  
And leave us alone!  
We are breathing,  
While your sleeping, go  
And leave us alone,  
The liars cheating,  
Our hearts beating, go  
And now you're on your own.
