

Friends

Bette Midler

And I am all alone.
There is no one here beside me.
And my problems have all gone.
There is no one to deride me. But yah got to have friends.
The feeling's oh so strong.
Yah got to have friends
to make that day last long. I had some firends but they're gone,
somethin' came and took them away.
And from the dusk 'til the dawn
here is where I'll stay.
Standing at the end of the road, boys,
waiting for my new friends to come.
I don't care if I'm hungry or poor,
I'm gonna get me some of them. 'Cause you got to have friends.
La, la, la, la, la, la, la, la, la, friends.
That's right you, oh you, yeah you,
I said you gotta have some friends,
I'm talkin' about friends, that's right, friends.
Friends, friends, friends. I had some firends, oh, but they're all gone, gone,
somethin' came and snatched them away.
And from the dusk until the ran ran dawn, you know,
here is where I gotta stay, here is where I gotta stay. And I'm standing at the end of a real long
road
and I'm waiting for my new friends to come.
I don't care if I'm hungry or freezin' cold,
I'm gonna get me some of them.
'Cause you gotta have friends,
that's right, friends, friends.
I gotta get my, I gotta get my, I gotta get my,
look around and see all of my friends.
Oh, friends, that's right, friends, friends,
friends, friends, friends, friends, oh,
friends, you gotta have friends . . .
